**AMENDMENT AFTER FINAL & REMARKS PURSUANT TO 37 C. F. R. 1.116**

Applicant appreciates the courtesies extended by the Examiner during the interview conducted on August 9, 2006. Applicant believes that the discussion was beneficial in advancing prosecution of the instant case.

Pursuant to 37 C. F. R. 1.116, Applicant hereby submits this response to the Final Official Action mailed on July 12, 2006 ("Final Official Action") and respectfully asks that the Application be reconsidered. The August 9 interview resulted in agreement that the June 26, 2006, Rule 131 declaration of Edmund Louie was sufficient to antedate and thus remove the applied primary reference of Adams. As proposed during the interview, Applicant supplies herewith remarks that clarify and explain the Rule 131 declaration. Applicant also makes several minor amendments to the claims, as discussed during the interview.

Based on this Amendment After Final submission, Applicant respectfully requests that the rejections of the Final Office Action be withdrawn and this Application be allowed.

**Amendments to the claims** are reflected in the listing of claims which begins on page 3 of this Response.

A **Statement of the Substance of Interview** begins on page 10 of this Response.
